1954

## Foreword ..

We, the 1953-54 Echo Staff and sponsor, are happy to present to you this 1954 edition of the Unionville High School Echo. It has been our ambition while editing this book to include photos and snapshots that will reflect many of the highlights of this school year, and we sincerely hope that in the years to come each one of you can turn to this book and be as impressed as you would be if you heard the ringing echoes wounding and re-sounding the events which we have pictured here.

If you value this book as one of your treasured records of your high school life, we will know our labors while editing it have been rewarded.

## Dedication

Although he has not been with us this year, due to the fact that he graduated from our high school last year, we feel that we should dedicate this book to William Fleshman. He has made a name for himself in the field of Agriculture, having received the National Farmer degree in Agriculture. He is the first Agriculture student who ever attended this school who has attained such high recognition.

Congratulations, William, for what you have done for yourself and your school, from the students and faculty of Unionville High School.

William D. Fleshman, son of Mr. and Mrs. Wayne Fleshman of Lucerne, will receive the degree of American Farmer at the national convention of the Future Farmers of America in Kansas City, according to word received from the national committee and office of the F. F. A. William was graduated from the Unionville, Missouri High School in 1952 and has the distinction of being the first member of the local F. F. A. to receive this high honor. One member is awarded the rating for every 1,000 F. F. A. members and the state of Missouri is entitled only to eleven.

The youth received the degree of State Farmer during his Senior year in high school. In addition, he has been active in the group, having served as president of the local F. F. A. chapter, president of his Senior class, member of the national champion F. F. A. livestock judging team, chairman of the student council constitution committee, and a member of the school paper staff.

During his four years active F. F. A. work, he served on practically all committees, appeared on various radio programs, and spoke before organizations. Despite these assignments, he made the high school honor roll.

Young Fleshman also has won awards, with his Angus cattle and hogs in both the Junior division and the Senior division of the local Putnam county fair. Two years he sold the top price bull at the annual Putnam county bull sale. The last two years he has been a member of the county's 100-bushel corn club and last year his yield was one hundred eight bushels of corn per acre. A year ago he was guest of the American Schoolhouse of the Air and the Pillsbury Pete radio programs.

The outstanding youth has had further honors, as he has placed at the Unionville Putnam county fair and last month won the tractor driving contest at Lucerne at their fair.

William is farming full time, now that he is through school. He has his own farm rented, known as the Cullor farm, located west of Unionville. This year he has a farming project of seventy acres of soybeans, eight acres of corn, four acres of wheat, twenty acres of hay and one hundred twenty acres of pasture land. Also, has thirty beef cattle, five head of yearling calves, one registered Angus bull, one registered Spotted Poland sow and litter and four ewes and lambs.

There are four members of the Fleshman family. Besides Mr. and Mrs. Fleshman and William, another son, James, Senior at the Unionville High School, also is interested in farming with his dad and brother.

Unionville High School Echo Staff  
Unionville, Missouri

Dear Echo Staff:

The selection of the 1954 Echo Queen has indeed been an honor to me. I assure you that this has been a very pleasant task but at the same time a very difficult one. My selection for the 1954 Echo Queen of Unionville High School, Unionville, Missouri, is Sara Lou Pollock.

May I extend my best wishes to all the Echo Queen candidates and to the Echo Staff for a very pleasant and successful high school year.

Yours sincerely,

## Senior Class History

Our class was one of the largest to enroll in the high school. We, as Freshmen were soon engrossed in our studies, and the activities of school. Our President, Alice Harmison; Vice-President, Barbara Edmunds; and Betty Cullor, Secretary and Treasurer, were our first class officers. Under their leadership we progressed and continued on our course in learning. We chose for our class motto, "With The Ropes Of The Past, We Will Ring The Bells Of The Future"; our class colors, Royal Blue and Gold; our flower, "The American Beauty Rose". We were quite active in school affairs and very proud when Betty Cullor was chosen Barnwarming Queen. That year, our class was fortunate to have quite a large number on the honor roll.

As Sophomores we came back to school determined to walk away with more scholastic honors. Naturally we were very pleased when Virginia Bomgardner was chosen Echo Queen. Again many in our class made the honor roll. Our class officers that year were, Gail Wensel, President; James Fleshman, Vice-President; and Virginia Bomgardner, Secretary and Treasurer.

Our Junior year was in our opinion a very successful year. We sponsored a play called "If Mother Only Knew", which drew a huge crowd as well as general acclaim. We were very happy when Shirley Harbert was elected Barnwarming Queen. Shirley was also our class President that year, along with Richard Clark, Vice-President; and Donna Harbert, who was Secretary and Treasurer. We sponsored one of the most successful banquets ever given by a Junior class. Our theme was Hawaii, and was very beautiful.

By the time we were Seniors our roll call had dwindled down to seventy-six. Despite our smallness in number, we continued to do our best in all affairs which we entered. At the first of the year we started planning our Senior trip. We worked at the food stand during the basketball season, sponsored a bake sale, and the Senior play called "Everybody's Crazy". The money we earned from these projects was to be used toward our trip. We had several boys out for football and basketball, and these boys helped to beat Milan by a walloping big score. Our class won third place in the Homecoming Parade with the theme of "Orchids to the Team". Our officers that year were, Larry Bertine, President; Howard Lee Bowman, Vice-President; and Virginia Losey, Secretary and Treasurer.

## Sophomore Class History

In 1952, eighty Freshmen entered the halls of U. H. S. Yes, we were as green as any group of Freshmen has been known to be, but we were quite sure of ourselves. We had two lettermen on the football team and two lettermen on the basketball squad.

Marie Baker was our football queen candidate that year and our Echo Queen candidate.

Now we are Sophomores, one step higher on the ladder of our education. There are seventy-five of us this year. We are no longer spurned because of our greenness, but have been tagged the Silly Sophomores.

Several of our boys played football and basketball this year and seven lettered. The boys that lettered were Don Comstock, Larry Mathews, Larry Ross, Kirk Bruce, David Pollock, Richard Riley, and Phil Comstock.

Our football queen candidate was Ann Eisenhower and we were really honored when our candidate, Sarah Lou Pollock, was chosen Echo Queen.

In 1953-54 our class officers were Kirk Bruce-President, Richard Murphy-Vice-President, and Larry Ross-Secretary and Treasurer. Mr. Boeckman, Miss Babbitt, and Mr. Mower, were our sponsors again this year.

We are all looking forward to next year and what it will bring.

## .....Junior Class .....

On September 10, 1951, one hundred twenty-two boys and girls came to the Unionville High School as Freshman students. At the first class meeting those elected for office were: Jim Henson, President; Richard Thompson, Vice-President; and Shirley Shuey, Secretary-Treasurer. We chose Regina McHenry as our candidate for football queen, and she was chosen by the football boys as queen. Our float for the homecoming was a large whale on a truck, with the inscription, "For a Whale of a Time, Come and See Unionville High School Beat Marceline"; it took second place. The first semester we had a party in the gym. The second semester we went roller-skating. The class had more students on the honor roll than did any other class that year.

In the year of 1952, one hundred sixteen students returned as Sophomores. Our officers for that year were: Jerry Galloway, President; Max McKay, Vice-President; and Richard Thompson, Secretary-Treasurer. Clio Howard and Wanda Parish were nominated for Echo Queen, and Wanda was chosen as first attendant. Again the class had more students on the honor roll than the other classes. Eight boys and eight girls were picked by the Junior class to serve at the Junior-Senior banquet.

In the school year of 1953 and 1954, one hundred six students entered school for their Junior year. We elected Ray Klinginsmith, President; Sally Smith, Vice-President, and Bob Torrey, Secretary-Treasurer. Several activities were carried out in order to sponsor the Junior-Senior banquet. Among these were: a bake sale, a Sadie Hawkins Day dance, a sale of magazines, the selling of hot dogs and drinks at the football games. Carol Gill was nominated and chosen football queen. The class also staged a very successful Junior play.

## Eighth Grade History

On the 31st day of August the eighth grade started to school at the Unionville High School.

The first month proved to be very interesting as a class meeting was called by Mr. Walker and the following members were elected as class officers:

Herman Edmunds ..... President  
Esther Spence ..... Vice-President  
Elaine Smith ..... Secretary  
Carl Caley ..... Treasurer

During the fall season we participated in football, with many of our class members joining the pep squad. The winter season found several of the boys good enough to sub on the Junior High Basketball team.

We are a very busy eighth grade class and are looking forward to our Freshman year.

## Freshman Class History •

Our first day at high school most of us were nervous and a little afraid, but we finally got adjusted to high school life and we liked it fine.

Ninety-six Freshmen enrolled the first of the year. We hope to have all ninety-six members of our class graduate in the year 1957.

At our first class meeting we elected Frank Galloway, as President; Jack Steele, Vice-President; and Kathy Clark, Secretary-Treasurer. Our class sponsors were Miss Hunt and Mr. Shelton.

Our football queen candidate was Mary Jane Butler. Our Echo queen candidates were Janet Linhardt and Phyllis Vorrieter.

Our float won second prize in the Homecoming parade.

Of the two class parties we are allowed we have enjoyed only one, but are looking forward with pleasure to our next one.

We hope the next three years are as enjoyable and profitable as this one has been.

ALICE EWING thinks she'll go nuts;  
She works at the palace cleaning  
up cigarette Butts.

Whether for fortune or whether  
Howard Gatten took up the  
profession of raising cane.

Charley Pittman, as his head whirls,  
Admits that he still loves trucks and girls.

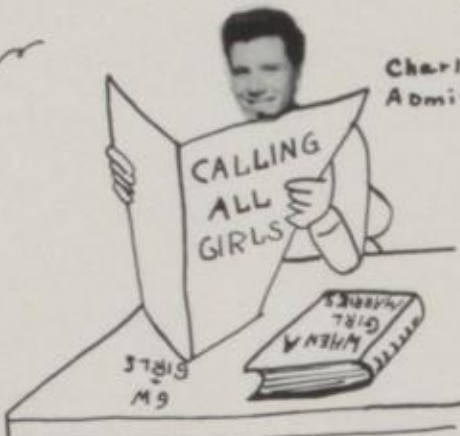

Robert Linhardt is quite  
a creature;  
He's through college and  
is now a teacher.

Jerome Rowland is majoring in  
ARITHMETIC  
To pass a test for a lunatic.

Vernon Drummond thinks he'll join the zoo.  
He hasn't found anything else to do.

Gail WESSEL is editing a dictionary  
That will define the girl that he wants  
to marry.

Betty Allen is stealing the show;  
She rides a bull in the rodeo.

Lee Stroud is still in Unionville  
School;  
He's still trying to learn the  
Golder Rule.

What a life James Bell faces!  
He drives a car in the Stock Car
